Greg Magdoff  
Pharmlabs LLC  
6696 Mesa Ridge Rd, Suite A  
San Diego, CA 92121

Subject: Notice of Laboratory Approval

Dear Greg,

Your application for the following laboratory has been approved by the California Department of Food and Agriculture (CDFA) to test industrial hemp for tetrahydrocannabinol (THC) concentration:

Pharmlabs LLC  
6696 Mesa Ridge Rd, Suite A  
San Diego, CA 92121

The approval is **valid from February 7, 2026 through February 6, 2027**. A list of all approved laboratories can be found online at <https://www.cdfa.ca.gov/plant/industrialhemp/>.

The following standard operating procedures have been approved for testing THC concentration, using high performance liquid chromatography coupled with an ultraviolet detector:

- SOP-033 (Version 1.2 - January 25, 2021)
- SOP-035 (Version 2.1 - January 27, 2025)
- SOP-036 (Version 1.3 - September 30, 2022)

Pharmlabs LLC

Please note that any sampling procedures provided in these standard operating procedures are excluded from this approval.

Section 4943(h) in Title 3 of the California Code of Regulations requires that any changes to the laboratory's standard operating procedures must be submitted to the Department for review and approval prior to implementation.

Please keep this letter for your records. If you have any questions, please contact us at 916-518-3283.

Thank you,
